Dear Nick,

I would like to thank you and your staff for your excellent service, beginning in 2003 and continuing to the present. In 2003 and 2004, I had Invisalign braces with your firm, and my teeth turned out beautifully. Last year, I've had to replace my removable retainer, and several weeks ago, my permanent (lower) retainer broke and also required replacement. Your staff performed both of these services quickly and with the utmost professionalism.

I'm pleased to report that not only have you maintained the high standards for which I initially chose Dunn & Savastano, but I think you've actually improved over the years. It's my pleasure to recommend you and your staff to anyone that's seeking orthodontic services.

Best,

Peter T. Barts
President
